Huya Celebrates Success with Inaugural Delta Force Diamond Champions Summer Season Tournament

GUANGZHOU, China, Aug. 1, 2025 /PRNewswire/ -- HUYA Inc. ("Huya" or the "Company") (NYSE: HUYA), a leading game-related entertainment and services provider, recently successfully concluded its inaugural *Delta Force Diamond Champions (DDC) Summer Season*, demonstrating Huya's continued commitment to fostering a thriving e-sports ecosystem, which is an integral part of the gaming world.

Officially authorized by Tencent's *Delta Force*, one of the hottest game in China this summer, this innovative hybrid online and offline professional event featured China's top e-sports clubs including All Gamers, Invictus Gaming, Tianba and Weibo Gaming, as well as a select group of prominent streamers, in high-level competitive gameplay. 24 teams participated in the initial online rounds, and the top 12 teams competed in Shanghai for a prize pool totaling one million yuan (\$140,000).

As a leader in the e-sports sector, the Company will continue to strengthen its technology advantages, enhance relationships with top e-sports clubs and prominent streamers, and explore collaboration opportunities with new game titles to bring even more engaging, high-quality content to game lovers worldwide.

About HUYA Inc.

HUYA Inc. is a leading game-related entertainment and services provider. Huya delivers dynamic live streaming and video content and a rich array of services spanning games, e-sports, and other interactive entertainment genres to a large, highly engaged community of game enthusiasts. Huya has cultivated a robust entertainment ecosystem powered by AI and other advanced technologies, serving users and partners across the gaming universe, including game companies, e-sports tournament organizers, broadcasters and talent agencies. Leveraging this strong foundation, Huya has also expanded into innovative game-related services, such as game distribution, in-game item sales, advertising and more. Huya continues to extend its footprint in China and abroad, meeting the evolving needs of gamers, content creators, and industry partners worldwide.
